Zenair means choice!

## The Original Sky Jeeps!

The classic CH 701

Hundreds Flying  
worldwide!

★ ★ ★ ★ ★

The New CH 750 LSA

**Shorter take-offs, exceptional control, remarkable visibility, unmatched off-airport operations and more!**

**Standard and advanced kits:** Include all the parts and components necessary to complete the entire airframe (wings, fuselage, tail sections, gear and wheels, control system, fuel system, etc.). Plans & assembly instructions included. Kits and builder assistance available. Contact your nearest Zenair representative for details.

**Ready-to-fly:** Don't want to build? No problem! Contact a Zenair representative to arrange for your personalized ready-to-fly aircraft. **Just turn the key and go fly!**

**Choose the kit project or STOL aircraft you need:**

**Many options available:** folding wings, auxiliary fuel, floats, lights, parachute system, custom equipment, etc. Choice of ULM engine: **Rotax 912** (80 or 100 HP.); LSA engines: Rotax, Jabiru 3300, Continental, etc.; CH801 engines: Continental, Lycoming, others (160 HP. +)

STOL CH 750 cabin with custom panel.

**The STOL CH 750 & STOL CH 801:** Same Sky Jeep qualities as the STOL CH 701, but with larger doors, roomier cabins, higher useful loads and more choices of engine...
